**Importance:** High

Priscilla,

I cannot work with Valentia anymore. She leaves early, comes in late practically everyday. She has every excuse in the book for why she's not doing her work. She creates so much more drama among the team. She's just SO awful to work with. I am begging you to please let this woman go.

I'm practically doing all of her work as it is!

If she doesn't leave soon, I can guarantee a lot of my team will quit.
